Gala Academy Accessibility Policy Statement

Gala Academy is committed to providing an inclusive, welcoming, and accessible learning environment for all students, families, employees, visitors, and community members. We believe that every individual should have equitable access to our educational programs, services, facilities, activities, and digital resources.

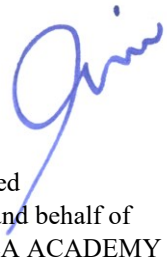

We strive to identify and remove barriers that may limit participation for individuals with disabilities. Gala Academy supports reasonable accommodations and modifications in accordance with applicable laws and recognizes that accessibility is an ongoing responsibility.

Our commitment includes:

- Providing equal opportunity to participate in academic, extracurricular, and community programs.
- Offering reasonable accommodations for qualified students, employees, and visitors with disabilities.
- Promoting accessible physical spaces, learning materials, communications, events, and technology.
- Making reasonable efforts to ensure that our website and digital content are accessible to people using assistive technologies.
- Training staff to support inclusive practices and respond respectfully to accessibility needs.
- Maintaining a process for requesting accommodations and reporting accessibility concerns.

Individuals who need an accommodation, encounter an accessibility barrier, or have suggestions for improving access are encouraged to contact Gala Academy's administration. We will review requests promptly and work collaboratively to provide appropriate support whenever possible.

Gala Academy is dedicated to fostering a community where every person is treated with dignity, respect, and the opportunity to thrive.
